The Terms and Conditions that apply are:-

1. the scheme is reserved for cremations that have taken place, or where ashes have been scattered, at the Bournemouth Crematorium.
2. the initial contract is for five years from the date of placing the memorial plaque in the Garden, with an option to renew for a further five years at the conclusion of the initial contract. The contract can continue to be renewed by whatever period is in existence at the time of the contract expiry date. Only the registered Contract Holder may apply for an extension, or any changes to the plaque.
3. at the conclusion of the contract the Contract Holder will be contacted at the last given address. It is the Contract Holder's responsibility to inform the BCP Bereavement Care Office if they change addresses.
